In Conclusion:

With her skills in deep Conflict Resolution techniques Jeanne has followed a vision that has taken her and her husband John Pehrson around the world, often into war zones and other areas of conflict, where they have been greeted as Ambassadors for Worldwide Peace. They have dedicated themselves to raising the level of awareness in the mass Consciousness. This includes creating a world in which people of all cultures can communicate in a caring and authentic way and where all life is honored and nurtured.

Jeanne's focus is to open doors for humankind to evolve into a higher state of consciousness, and in this to create the possibility of healthy interaction with life both on and beyond our planet.
